Installing and authorizing the OverDrive Application

1. Open the **App Store**.
2. Search for and install the free *OverDrive Media Console* app. Open the app.
3. You will be prompted to **Sign In** or to **Sign Up** for an OverDrive account. If you already have a user ID and password, enter your ID and password to log in. If you do not have a user ID, you must create an account using a personal email address, and then choose a password.
4. Swipe left or right to open the **Home Menu**. Tap **Add a library**. Enter our zip code (97415) or type “Chetco Community Public Library” and tap **Search**.
5. Tap **Chetco Community Public Library**.
6. Tap the star next to *Oregon Digital Library Consortium* to save it as a favorite. And

then tap **Oregon Digital Library Consortium**. You will be connected to the Library2Go catalog.

Downloading eBooks and Audiobooks

1. Open the **Overdrive** app and open the menu.
2. Tap on “Chetco Community Public Library” to go to the Library2Go catalog.
3. If you are not already signed in, tap **Sign In** near the upper-right corner. Choose **Chetco Community Public Library**, and enter your library card number and PIN. Your PIN is usually four digits and was either selected by you or assigned to you

when you signed up for a library card¹.
Now tap the **Sign In** button.

4. When you find a book you want, tap the **cover image** to view the record. If all copies of a title are checked out, you will see a **Place Hold** button. Tap **Place Hold** to receive an email when your copy is available.
5. Tap the **Borrow** button. The book will now show up on your Library2Go bookshelf.
6. Tap the **Download** button next to the book cover. If there are several formats to choose from, select *Kindle Book*, *EPUB eBook*, or *MP3 Audiobook* from the options. Then **Confirm & Download**.
7. If you downloaded an EPUB eBook or an MP3 Audiobook, the OverDrive app will open automatically. Tap the book cover to begin reading or listening.
8. If you downloaded a *Kindle Book*², you will be taken to an Amazon page. In the green square on the right hand side, make sure your Android device is selected in the

¹ If you do not know your PIN, please visit the library circulation desk. To protect your privacy, library staff cannot look up your PIN over the phone.

² To read Kindle eBooks, you must download and install Amazon's Kindle Reader App from your device's

Deliver To: section. Tap **Get Library Book**. The book will be delivered and available to read in your Kindle app the next time it connects to a wireless network (Wi-Fi).

9. A spinning wheel indicates your book is downloading, and when complete, the app will say "Title Added." When the download is complete, tap the **Menu** button in the upper-left corner (the icon will look like three horizontal bars). Tap on **Bookshelf**, and then tap the book cover to begin reading or listening³.

Returning an eBook or Audio Book Early
