Reading counts if you read by yourself, read to somebody, or have somebody read to you.

For each day that you read, at least 20 minutes, write down the total number of minutes for that day in a square.

Fill in one square per day.

Once the entire card is filled in, drop it off at the library and get a prize. Each card will be put into a drawing for a grand prize. Limit to one prize per week.

A new card may be picked up once the filled in one is dropped off.

*See Miss Linda if you have any questions.*
